

The “Passione di Sordevolo” postponed until 2021

With great regret, I must communicate the decision, now inevitable, which we reached during the meeting of the Board of Directors of the Popular Theatre Association of Sordevolo held by videoconference on March 21, 2020.

Given the latest ministerial directives and a very likely extension of the restrictive measures for the coming weeks, in agreement with the Mayor of Sordevolo Alberto Monticone, we decided **to postpone our show until 2021**, from June 12 to September 26.

I would like to underline that health is an absolute priority for our community as well and we have taken this decision in order to better protect our audience, our staff and our actors who in any case had to stop the rehearsal sessions during this period, responding wisely to the appeals of the institutions.

We have provided two solutions in case tickets for the performance have already been purchased:

1. Keep the ticket to use it in 2021. In this case, holders will be able to choose a new date.
2. Request a full refund.

All relevant information will be published shortly on our website www.passionedisordevolo.com including the detailed rescheduling of the new calendar.

I would like to take this opportunity to thank those who, from all over Italy and the world, have sent us, through various channels, messages of solidarity that testify to **the affection and PASSION of our audience** and give even more meaning to the daily commitment and dedication that we have put and will always put in place to offer a unique and unforgettable show.
